

2010 Missouri Endurance Rally And Missouri Mini-Endurance Test April 24 – 25, 2010

We will be meeting at the Hooters of Maryland Heights, MO (11835 Lackland Rd, St Louis, Missouri) at 6:30 a.m. on Saturday, April 24. Teams will have until 8 a.m. on Sunday, April 25 to reach all the locations that are given at the meeting, answer the required questions, and make it back to the parking lot of Hooters of Maryland Heights. The team covering the least number of miles wins. Any team that arrives after 8:00 a.m. is disqualified. We will then have an awards ceremony at 8:30 a.m. Sunday morning.

Before the teams leave on Saturday morning, they will drive a set course to calculate any mileage offset that they may have with their odometers. The offset will be determined mathematically. Also before leaving, teams will be required to sign an event waiver then seal their driver's license in an envelope. Any team that gets stopped and has to break the seal on the envelope is disqualified. Teams must drive in a safe manner and obey all Missouri traffic laws.

Those competing in the Missouri Mini-Endurance Test will also meet at Hooters and participate in the mileage check run. After the check run, teams will be given a list of locations and will have until midnight that night to make it back to the start. Teams arriving after midnight will be disqualified. The awards ceremony will take place at 8:30 a.m. Sunday.
