Please mail this application with your membership fees (\$20 individual/\$30 family) to our treasurer (see our web site for current info) or hand this to any member. This will get the process started and get you onto our contact list. Contact our membership coordinator if you need any additional information or leave a message on the club hotline number. We hope to see you at the next meeting.

The MG Club of St. Louis is a Centre of The MG Car Club, Ltd., affiliated with the MG Owner's Club, a Chapter of the North American MGA Register, and a Chapter of the North American MGB Register.

The purpose of the club is to provide MG owners and enthusiasts with social activities and technical support, in addition to promoting the MG marque.

However, please note there is absolutely no requirement to own an MG to join the club and some of our members don't. Just a love, passion or interest in Little British Cars is all that's needed.

Annual dues are \$20 for an individual or \$30 for a family membership and these are payable in September.

Still not sure? Come to a meeting & post-meeting social event!

If you want to find out more before joining, come to the next meeting. Information about meeting dates and times is available on the website and the MG hotline number. Or contact any club officer.

Monthly club meetings are held on the second Monday of the month, 7:30pm. These are “usually” held at the Main branch of the St. Louis County Library in one of the dedicated meeting rooms. Occasionally other branches or locations are used. After the meeting members usually met up at a local bar for a social event. Please call the club hotline or check the club website for the current month’s location.

Tech Sessions are held in January, February, March & April at various locations and are hosted by some of our professional support members. These cover almost any mechanical, bodywork or engine related topics and topics are chosen/requested at the monthly meetings prior to each session.

Other Events take place throughout the year that many club members attend. Check the club website for details of other events, shows, meets and rallies that take place. There is always something happening!
